January Closings
January 1- New Year’s Day Observed

Monthly News
Happy New Year!
It’s that time of year! The cold is upon us and the snow is slowly arriving. If EHT schools are closed for inclement weather, Little PALs will be as well. School closings will also be posted on our website. If inclement weather occurs during the day the preschool may have early dismissal. Parents will be contacted via phone as soon as the decision is made.
Thank you in advance for your cooperation.

Just a few reminders:
All full day children should be bringing a fitted sheet and blanket to school for quiet or naptime. Please have children bring gloves and hats to school. If the weather permits, they will go outside for some fresh air.
All cups and food containers should be labeled with the child’s name on them.
Thank you!
