May 4, 2020

Dear Parents/Guardians:

Your child has a Change in Transportation Form (babysitter form) on file with our Transportation Department for the current school year. Please be advised that this form needs to be re-filed with the Transportation Department each school year. For your convenience we have enclosed a form. Additional forms may be obtained on the school website at www.eht.k12.nj.us. Click on the District Services tab, then go to Departments in the drop down box, and then click on Transportation.

The form must be completed in its entirety and returned to Transportation by June 18, 2020 or your child will be assigned transportation that is designated by your home address.

You can return the form via fax (609-927-6985), via e-mail to matterac@eht.k12.nj.us, or via U. S. mail to the above address.

Stay safe and stay well.

Thank you.
